Mr. Marshall Williams
CSX Transportation

Dear Mr. Williams:

Attached is a map of the CSX railroad property about which I spoke to you on the phone yesterday. My understanding is that CSX Transportation, Inc., a division of CSX Corp., acquired the rail line through the merger with Conrail on June 2, 1997. In addition, the CSX web page (<http://www.csx.com/med/location/state/illfin.html>) states that a 29-mile Conrail route from Danville to Paris is expected to be abandoned. I think that this is the same rail line.

Please let me know if you are the correct person to address an access agreement for this property, or if there is someone else with whom I should speak. I look forward to hearing from you soon.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Ann L. Coyle".
